## LA QUINTA DEL NARANJITO

**BY FRAN MENCHÓN**

Paco and Rubio are two 12-year old friends from a poor neighborhood in L'Hospitalet. Paco is a rascal that uses all the tricks he knows to take all the sandwiches and money from his classmates. Rubio is a handsome boy with a blonde hair that drives the girls crazy. Paco and Rubio are the current table-football champions in the school. In their last championship, they know they will win. The rivals, the Mucus and the Pimples, are easy preys. But in the final, they win to our protagonists. Paco and Rubio's fame is over.

Thirty years later...Rubio is completely bald and he works in an old's people home, where he seduces the elders women. Paco lives cheating people playing table-football in decadent bars. There is only one solution: to win the table-football championship that is about to take place in the city.
