## PRIDE CAMP

### ORGULL CAMP

#### BY AÏDA TORRENT

Anyone who has never been to a summer camp may not know their potential: they are a school of life, where young people live in a space different from the usual, without their daily routines. In *Pride Camp* a teen group will live for 6 days in an LGTBI + camp, a space of freedom, a refuge.

Through coexistence and activities organised by educators, the youngsters will learn to love their realities and relate to other members of the community without prejudice. *Pride Camp* is a transmedia entertainment project that aims to show the younger LGTBI+ community, breaking with stereotypes, taboos, prejudice and stigma.
