MUYERES

BY MARTA LALLANA

In the Asturian mountains of Cangas de Narcea live the last guardians of a centuries-old tradition, the oral transmission of songs, romances and legends. These women were taught by their ancestors, but now no one carries on their legacy and their voices are muted. A visitor comes to the valley with an old recording device that preserves the voices of these women recorded years ago. Obsessed with these deep songs, he decides to set off on a quest to find them.
