THE INFANTAS

LES INFANTES

BY ANDREA HERRERA CATALÁ

Carnival in Barcelona. The Dominican troupe is the most popular at the most attended parade in the city, and for the first time this year, they are parading with a float. Ruth, the owner of a Latin hairdresser, is sponsoring the float so that she can put her daughter Rihanna in it. Rihanna usually dresses like a "machito" and Ruth wants everyone to see her like a princess for once. But the tutu and tiara are a shaming too unbearable for the until then submissive Rihanna.
