## OH MY GOIG! (IV)

BY AÏDA TORRENT

*Oh My Goig* is a youth sex education series for betevé. In its fourth season, it keeps the edu-entertainment format that hybridises fiction and reality, with the Committee of Young Experts, a group of 19–22 year-olds who contribute their experiences and reflections to the scripts so that the plots of the series are representative of their realities.

The 4th season of *Oh My Goig* maintains an urban look and concentrates in 8 chapters topics such as serophobia, polyamory, asexuality, unwanted pregnancy, sexist violence in the couple, the queer world, transphobia, sisterhood, job insecurity, and the influencer phenomenon
