OH MY GOIG! (V)

OH MY GOIG! (V)

BY AÏDA TORRENT

Oh My Goig! is an educational series for young people broadcast on betevé. The fifth season is adapted to the reality of the 2020 pandemic. We will see how lockdown has disrupted the main characters' lives and will deal with issues related to long-distance sexuality, feminism, the LGTBI+ collective, transphobia, personal acceptance, racism, sex work, conflicts with partner or family, etc.

The edutainment format that hybridises fiction and reality with the Young Expert Committee is maintained, this year in podcast format. Young people between 19 and 23 years old contribute their experiences and reflections to the scripts so that the plots of the series are representative of their realities and respond to their concerns.
