I, ELVIS RIBOLDI

JO, ELVIS RIBOLDI

BY JAVIER GALÁN

Elvis Riboldi is a nice boy with a big heart who always means well. He's energetic, optimistic, passionate and full of life! He is essentially the personification of childhood joy... but taken to the extreme. He's too energetic, too optimistic and too passionate, so things tend to get way out of control. Consequently, he often gets himself into trouble, not because he goes out looking for it, but because it finds him. And every time Elvis tries to face a problem, it snowballs out of control. This is an absurd, entertaining, character-driven comedy series that recounts the adventures of Elvis and his friends in Icaria, a place where, according to some people, nothing out of the ordinary ever happened until Elvis was born.
